

Sempertex

Jubilee Rosette

Jubilee

Designed By Chris Horne

Product Required:

- 30 x Sempertex 5" Fashion White 20001968
- 30 x Sempertex 5" Fashion Red 20001971
- 2 x Sempertex 360 Fashion Royal Blue 20001314
- 1 x Sempertex 260 Fashion White 20002787
- 1 x Anagram GB Flag Standard Balloon 2253801
- 1 x Amscan Crepe Streamer Kit 9913027
- Scrap of 260
- Balloon Bond CC10630

Estimated Labour time: 45 minutes.

Construction Method:

1. Create 30 x duplets of balloons, each duplet containing 1 x 5" Fashion White sized to 5", and 1 x 5" Fashion Red sized to 3". Over-inflate the balloons, then downsize to size, squashing them until they are round.
2. Tie the closed end of one of the 260 balloons around one of the duplets, then build a duplet garland by adding the remaining duplets one at a time, rotating each duplet 90 degrees, but keeping the smaller balloons to one side, and the larger balloons to the other. Tie off at the end. The garland will naturally curve into a circle.
3. Inflate the foil balloon with air and tape up the tail.
4. Wrap the garland around the foil, settling the foil into the groove created by the Red balloons. Tie the ends together using 260.
5. Inflate both 360 balloons almost to the ends, Tie together, and make a pinch twist to conceal the knots. Wrap around the outside of the design, settling the 360's into the groove formed between the white balloons. Twist the ends together so that the balloons sit snugly, tie off and remove the excess.
6. Cut lengths of Red, White and Blue crepe streamers and gather them together with a scrap of 260. Secure them to the base of the design with Balloon Bond.

A Step-by-step video showing the construction of this design can be found on the Decorator Hub at amscan.co.uk. Click the link on the home page and go to "How-to Videos"! (In other colours for fathers day)
