

## Rose Bouquet

Created By Chris Horne, Amscan International Limited.

### Product Required:

- 1 x 3418801 Anagram Red Roses UltraShape®
- 4 x 1058402 Anagram Metallic Red Heart
- 3 x Anagram 4" Metallic Red Hearts
- 1 x 3194699 Green Anagram Diamondz®
- Red Balloon Ribbon
- Balloon Bond
- 1 x Heavy plastic balloon weight.

### Construction Method:

1. Inflate the Diamondz® balloon with air, and roll and tape the neck. Tape the Heavy plastic weight to the centre of the square (top) part of the balloon. Stand the balloon neck up, with the weight at the bottom.
2. Inflate the 3 x 4" red hearts with air and heat seal them. Tape up the tails, and stick them to the side of the Diamondz® balloon with balloon bond or glue dots.
3. Inflate the Red Roses UltraShape® and the 4 x standard red hearts with helium, and attach to ribbons.
4. Assemble the helium filled balloons into a bouquet with the roses at the top and the hearts below.
5. Finally, tie the bouquet to the neck of the Diamondz® balloon\*. Curl the ribbon ends.

**Estimated Labour time: 15 minutes.**

\* To comply with California Law, Tie the helium filled balloons individually to the neck of the Diamondz® balloon.
