ORBZ AND ROSES

Created By Chris Horne, Amscan International Limited.

Fabulously Elegant, this design works well as a centrepiece or floor-standing display.

Product Required:

- 4 x Silver Anagram Orbz: (2820199)
- 1 x 16" Circular mirror or similar base
- 1 x glass vase
- 6" wide white Tulle Ribbon
- White balloon ribbon
- Fresh or Silk white roses
- Stretchy Balloon Tape

Construction Method:

1. Inflate the four Orbz with helium. Use a latex inflator, and inflate until all the creases on the seams have disappeared.
2. Attach them to lengths of 6" wide Tulle ribbon, and add a bow of tulle beneath, tying with balloon ribbon.
3. Tape the tulle ribbons to the underside of the mirror, spacing them evenly around the edge, so that the Orbz fly in an ascending spiral pattern. Adjust the distance between the Orbz to suit the situation. Trim off excess tulle.
4. Place the vase of roses in the

Estimated Labour time: 10 - 15 minutes.

As Anagram Orbz are available in a range of solid colours and many different prints, this design can be adapted to suit every occasion!
